Share PPT Presentation Online – TWT Educational Download

When you think of PowerPoint presentations, you probably think of a presentation using a projector or a large screen. However, for whatever reason, you cannot connect in-person, sharing your PowerPoint presentation online may be the next best thing and it's so easy!

1. Click on **File**

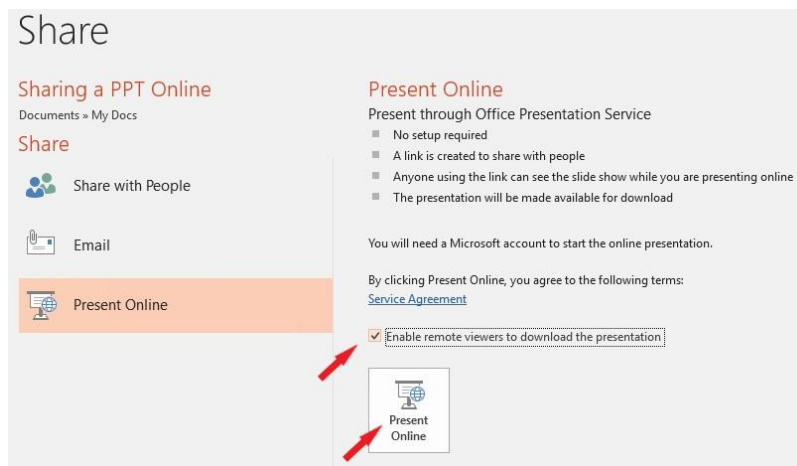

2. Click on **Share > Present Online**

3.

4. Check the box to enable remote viewers to download the presentation. Then click **Present Online**
